SHE IS PICTURE OF HEALTH NOW

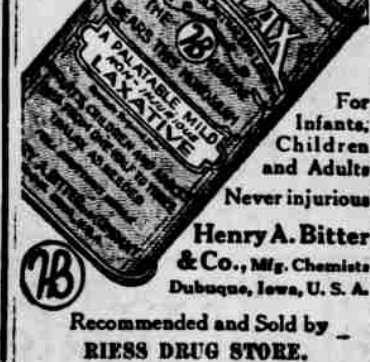

Mrs. Abram's Health Was Completely Broken—Tanlac Restores Her.

"I honestly don't believe I would be alive today but for Tanlac," said Mrs. Abrams of 2219 N. Monroe street, Peoria, Ill., recently. "When I began taking Tanlac I had been sick in bed for weeks from a complete breakdown, and was not able to see my friends who came to inquire about me. For eight years I had been suffering from stomach trouble and nervousness. I had no appetite and couldn't retain anything hardly that I did eat. I never slept well and had nervous headaches that nearly drove me wild. 'I just pulled myself about the house and often got so exhausted I had to go and lie down. My back hurt like it would break and frequently my head got to swimming so I thought I was going to fall over. Finally I broke down completely and took to my bed. I couldn't take any nourishment except the lightest liquid food and was just getting worse every day. 'But, I declare, I slept better the first night after I began taking Tanlac, and better still the second night. When I had finished the third bottle I was able to sit up in bed and see my friends, and now I am a well and happy woman. I eat three hearty meals a day and never suffer a particle afterwards. I sleep fine and am just the picture of health. I never have a headache and do all my housework and feel splendid all the time. Tanlac is certainly the greatest medicine in the world.' Tanlac is sold in Rock Island by Carl E. Schlegel drug store and the leading druggists in every city. (Adv.)

New Life for Sick Man

Eutonic Works Magic

"I have taken only two boxes of Eutonic and feel like a new man. It has done me more good than anything else," writes O. O. Frappier.

Eutonic is the modern remedy for acid stomach, bloating, food repeating and indigestion. It quickly takes up and carries out the acidity and gas and enables the stomach to digest the food naturally. That means not only relief from pain and discomfort but you get the full strength from the food you eat. Big box only costs a little with your druggist's guarantee.
